BAC RESOLUTION ON THE RECOMMENDATION FOR AWARD FOR THE PROCUREMENT OF SEVEN (7) UNITS FORAGE CHOPPER (B18)

Resolution No. 046-1015
Series of 2025

WHEREAS, the Department of Agriculture Caraga Region had published an Invitation to Bid in the websites, www.da.caraga.gov.ph and www.philgeps.net, on March 7, 2025 and posted on the Bulletin Board of this office continuously for 7 calendar days for **Procurement Of Seven (7) Units Forage Chopper (B18)** under **Livestock Program** with a total Approved Budget for the Contract (ABC) of **Two Million Four Hundred Fifty Thousand Pesos (₱2,450,000.00)**

WHEREAS, a pre-bid conference was conducted as scheduled on March 17, 2025 at the DA 13 Conference Hall, Butuan City which can be participated virtually through <https://bit.ly/Prebid-CodeB-03172025>;

WHEREAS, the opening of bids was conducted as scheduled on March 31, 2025 at the DA 13 Conference Hall, Butuan City;

WHEREAS, two (2) bidders purchased bid documents and successfully submitted their bids. These were the **Agrimach CG Corp** and the **Davao Techno Craft**;

WHEREAS, based on the preliminary deliberation, two bidders have been found eligible and compliant with the requirements and rated as "PASSED";

WHEREAS, the BAC, with the assistance of the Technical Working Group (TWG), conducted a detailed bid evaluation on April 10, 2025 to determine the lowest calculated bid based on the completeness, accuracy, and responsiveness of the financial proposals in accordance with the criteria set forth in the bidding documents;

WHEREAS, based on the detailed evaluation, **Agrimach CG Corporation** was the lowest, however, its offered unit did not comply with the required technical specifications, moreover, its technical specification was not signed and sealed by a licensed ABE. With this, **Agrimach CG Corporation was declared as failed**; On the other hand, **Davao Techno Craft** was also non-compliant due to noise level exceeded 92db (allowable noise level) as required in the technical specification. However, since there is a provision of ear muffs or other ear protective device by the bidder. With this, since the provision of earmuffs would no longer harm the bagger and operator, the end-user accepted the unit offered by **Davao Techno Craft**;

WHEREAS, the BAC hereby resolves to subject **Davao Techno Craft** to post-qualification process to verify the eligibility, legal, technical, and financial requirements of the bid;

WHEREAS, after conducting the Post-Qualification Evaluation, the BAC determined that **Davao Techno Craft** met all legal, technical, and financial requirements and deemed as the Responsive Bidders;

WHEREAS, the BAC, after careful deliberation and verification of submitted documents, **RESOLVES AS IT IS HEREBY RESOLVED**, to recommend the award of the contract amounting to **₱2,446,500.00 to Davao Techno Craft**;

NOW, THEREFORE, the BAC recommends the award of the contract for **Procurement Of Seven (7) Units Forage Chopper (B18)** under **Livestock Program** to **Davao Techno Craft**, subject to the approval of the Head of the Procuring Entity (HOPE) and compliance with post-award requirements as their bids were considered the Responsive Bid;

RESOLVED, this 5th day of May 2025 in Butuan City, Philippines.
